PASSPORT UPDATE:

CRUISE TRAVEL

Carnival Cruise Lines strongly recommends all of our guests travel with a valid passport. However, as of June 1, 2009, U.S. citizens embarking on a cruise that both originates and terminates at the same U.S. port are not required to have a passport, but will need proof of citizenship such as an original or certified copy of a birth certificate, a certificate of naturalization, a passport card, an enhanced driver's license (EDL) as well as a government-issued photo ID. Children are also required to bring proof of citizenship, and if 16 and over, a photo ID is also required.

U.S. citizens calling on ports in Honduras, Panama, Costa Rica and Belize will also be exempt from the passport requirement.

6. CANCELLATION BY GUEST, REFUNDS

Reservations will be held until 30 minutes prior to departure. No refunds will be made in the event of "no shows", unused tickets, lost tickets, interruptions, partially used tickets, or cancellations received late or after the start of the cruise. A cancellation occurs when a stateroom is released and not simultaneously rebooked on the same sailing. Carnival strongly recommends the purchase of trip cancellation insurance from your travel agent. Cancellation charges for individual bookings will be assessed as listed below. For cancellation charges related to group bookings, partial ship charters or full ship charters refer to your charter contract or group booking agreement for terms and conditions.
